mayyadah sahib

Assist. lecturer [Diyala University](#), Dep. of Electrical Power Engineering
بريد الالكتروني تم التحقق منه على engineering.uodiyala.edu.iq

Renewable Electrical machine ...timization of Power System ...nergy Power system quality

السنة	عدد مرات الاقتباسات	عنوان
2018	12	Analysis study in principles of operation of DC machine SS Keream, KG Mohammed, MS Ibrahim Journal of Advanced Research in Dynamical and Control Systems 10 (02), 2323-2329
2021	7	Improvement the voltage stability margin of Iraqi power system using the optimal values of FACTS devices GA Salman, HG Abood, MS Ibrahim International Journal of Electrical and Computer Engineering 11 (2), 984
2021	4	Design and Implementation of Constant Speed control System for the Induction motors Using Programmable logic Controller (PLC) and Variable Frequency Derive (VFD) KH Khudier, KG Mohammed, MS Ibrahim IOP Conference Series: Materials Science and Engineering 1076 (1), 012007
2015		IMPROVEMENT OF POWER AND VOLTAGE QUALITY IN POWER SYSTEM DISTRIBUTION USING FACTS (SVC & DSTATCOM): Electrical AN Abdullah Diyala Journal of Engineering Sciences 8 (4), 266-276
