Under the attention of Minister of Higher Education and Scientific Research

Dr. Naeem A.Y. Al-Aboudi

and Under supervision of the President of University of Diyala

Prof. Dr. Tahseen H. Mubarak

and Headed by the Dean of College of Engineering

Prof. Dr. Anees Abdullah Khadom

and under the slogan:

Scientific engineering research is the basis of development and progress

**College of Engineering holds
The 4th International Scientific Conference of Engineering Sciences (ISCES 2025)**

10-11 December 2025

DIYALA – IRAQ

IRAQ
December 2025

The 4th International Scientific Conference of Engineering Sciences (ISCES 2025)

Preface:

- This Conference aims to bring researchers, students and engineers together to participate and present their latest research findings, developments and applications related to the various aspects of engineering fields.

- The Conference organized with the **Institution of Engineering and Technology (IET)**

- Electrical & Computer Engineering Papers Eligible for publication in IET Digital Library and IEEE Xplore, subject to quality standards and peer review. Final indexing in IET Inspec, Scopus and Ei Compendex depend on compliance with their criteria and regulations.

- Other Engineering Disciplines will be Published in the local conference proceedings on the College of Engineering's official website.

Conference Topics:

- ❖ Computer Engineering & Information Security
- ❖ Electronics & Communications Engineering
- ❖ Electrical Power & Machines Engineering.
- ❖ Civil, Environmental, Transportation & Architectural Engineering
- ❖ Mechanical & Materials Science Engineering
- ❖ Chemical & Petroleum Engineering
- ❖ Other Related Engineering Topics

Important Dates

Paper Submission Deadline:	**1 Oct. 2025**
Notification for Acceptance	**1 Nov. 2025**
Final Paper Submission	**10 Nov. 2025**
Conference Dates:	**10-11 Dec. 2025**

Paper Submission Guidelines

Authors are kindly requested to follow these submission requirements:

- **Originality**: Papers must be original and not under review or published elsewhere
- **Language**: Manuscripts must be in English UK
- **Length**: Papers should be 4–8 pages.
- **Formatting**: Use the IET Full Paper Template (**DOC NOT DOCX**) shown in the conference web page and the following link: https://engineering.uodiyala.edu.iq/wp-content/uploads/2025/08/The-IET-Template.doc
- **Presentation**: At least one author must register and present the paper.
- **Similarity Index:** Manuscripts must exhibit a similarity index **below 15%,** as determined by standard plagiarism detection tools.
- **AI-Generated Content: Must not exceed 15%** of the total manuscript.
- **Plagiarism Screening:** It is important to verify your manuscript using the Turnitin plagiarism checker prior to submission, to ensure originality and full compliance with academic integrity standards.
- **Author Information:** Remove all author names, email addresses, and affiliation details **from the initial manuscript** wherever they appear, in order to maintain double-blind review process.
- **Language Quality**: **A clear academic writing style and correct grammar are essential; therefore, careful proofreading of your manuscript prior to submission is strongly recommended**

Paper Submission

- EDAS Conference Management System

Conference Fees

| Type of Participation	Publication	Fees
Paper Submission – Electrical & Computer Eng. Topics	IET Digital Library & IEEE Xplore	200 USD 150 USD (Students)
Paper Submission – Other Engineering Topics	Local Proceedings (College of Engineering Website)	100 USD 75 USD (Students)
